Statement of intent

The Hamblin Education Trust has implemented this policy to assist with recruitment and employee selection. It outlines the Trust's recruitment procedure and how the Trust ensures safer recruitment is considered at all levels of the recruitment process.

The safety and protection of the Trust's pupils is always at the forefront of the Trust's concerns, which is why this policy aims to embed a robust safeguarding culture into the recruitment practices of the Trust.

- **Single Central Record Policy**
- **Data Protection Policy**
- **Equal Opportunities Policy**

2. Definitions

2.1. Regulated activity – includes:

- Teaching, training instructing, caring for or supervising children if the person is unsupervised, or providing advice or guidance on physical, emotional or educational wellbeing, or driving a vehicle only for children;
 - Working for a limited range of establishments (known as 'specified places', which include schools and colleges), with the opportunity for contact with children, but not including work done by supervised volunteers.
- The above definitions are classified as regulated activity if they are carried out regularly. Some activities are always regulated activities, regardless of frequency or whether they are supervised or not. This includes:

- Relevant personal care, or health care provided by or provided under the supervision of a health care professional. Personal care includes helping a child with eating or drinking for reasons of illness or disability or in connection with toileting, washing bathing and dressing for reasons of age, illness or disability. Health care means care for children provided by, or under the direction or supervision of, a regulated health care professional.
 - A supervised volunteer who regularly teaches or looks after children is **not** in regulated activity.
- 2.2. **Teaching role** – refers to a role involving planning and preparing lessons and courses for pupils; delivering lessons to pupils; assessing the development, progress and attainment of pupils; and reporting on the development, progress and attainment of pupils. These activities are **not teaching work** for the purposes of Keeping Children Safe in Education (KCSIE) if the person carrying out the activity does so (other than for the purposes of induction) subject to the direction and supervision of a qualified teacher or other person nominated by the headteacher to provide such direction and supervision.
- 2.3. **Standard DBS** – this provides information about convictions, cautions, reprimands and warnings held on the Police National Computer, regardless of not of whether they are spent under the Rehabilitations of Offenders Act 1974.
- 2.4. **Enhanced DBS** – this provides the same information as the standard check, plus any additional information held by the police which a chief officer reasonably believes to be relevant and considers ought to be disclosed.
- 2.5. **Enhanced with barred list check** – this check is required for when people are working or seeking to work in regulated activity with children. This check allows for additional checks to be made as to whether the person appears on the children’s barred list.
- 2.6. **Children’s barred list** – the DBS maintains a ‘barred list’ of individuals who are unsuitable to work with children and vulnerable adults. In addition, where an enhanced certificate is obtained, and this includes a barred list check, the certificate will also detail whether the applicant is subject to a direction under section 128 of the Education and Skills Act 2008 or section 167A of the Education Act 2002 prohibiting that individual from taking part in the management of independent educational institutions.
- 2.7. **Section 128 check** – this provides for the Secretary of State to direct that a person may be prohibited or restricted from participating in the management of an independent school (which includes academies and free schools).
- 2.8. **Safer recruitment** – this is the safeguarding and protection of pupils during the recruitment and selection process – its overall purpose is to help identify and deter or reject individuals who are deemed to be at risk of abusing children.

 - Contact and provide feedback to the unsuccessful candidates.
- 10.2. Interview notes and assessment materials will be held securely for an appropriate amount of time, in line with the Records Management Policy, after the interviews, in case any aspect of the recruitment process is challenged.
- 10.3. After choosing a successful candidate, the school will:
 - Make a conditional offer of employment to the candidate.
 - Ask the successful candidate to provide identification and proof of qualifications, if this has not already been done.
 - Complete the relevant pre-appointment checks.

11. Pre-appointment checks

- 11.1. All appointments will be conditional on satisfactory completion of the necessary pre-appointment checks.
- 11.2. When appointing new staff, the school will complete the following checks:

11.3. The recruitment panel will ensure any candidate employed to carry out teaching work is not subject to a prohibition order or any sanction, or restriction imposed (that remains current) by the GTCE before its abolition in March 2012.

11.4. If the school has reason to believe that an individual is barred, it is an offence, under section 9 of Safeguarding Vulnerable Groups Act 2006, for the school to allow the individual to carry out any form of regulated activity. .

Volunteers

11.5. For volunteers, if they are not engaging in regulated activity, an enhanced DBS check will be obtained – a barred list check will not be required.

11.6. If volunteers are engaging in regulated activity, and are new to the Trust/school, an enhanced DBS check with a barred list check will be required.

11.7. Existing volunteers in regulated activity do not need to be re-checked if they have already had a DBS check (including barred list information); however, the Trust may decide to conduct a repeat DBS check.

11.8. If a volunteer is not in regulated activity, the designated person will use hi/her professional judgement, after conducting a risk assessment, to determine whether to seek an enhanced DBS check, but no barred list check will be required.

Candidates who have lived outside the UK

11.9. No exceptions will be made for candidates who have lived outside of the UK, all mandatory checks outlined in this policy will be carried out, along with additional checks where necessary.

11.10. The DfE's [guidance on the employment of overseas-trained teachers](#) (updated January 2021) will be consulted should an overseas candidate apply for a teaching position.

Agency and third-party staff

11.11. In the case of any employee working within the Trust who is sourced from an agency or third-party organisation, confirmation must be obtained from the organisation, in writing, that all necessary checks have been completed.

11.12. Confirmation will also be obtained that the individual who presents for work is the same person on whom all checks have been completed. A copy of photographic identification will generally be kept, as appropriate.

Trainee/student teachers

11.13. The Trust will ensure that enhanced DBS certificates and barred list checks are obtained on all salaried applicants for initial teacher training who are in regulated activity.

11.14. Where trainee teachers are fee-funded it is the responsibility of the initial teacher training provider to carry out the necessary checks.

11.15. The school will obtain written confirmation from the agency that the checks have been carried out.

Existing staff

11.16. If a member of staff moves from a post that was not regulated activity to one that is, the relevant checks will be carried out.

11.17. The Trust will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- The harm test is satisfied in respect of that harm;
- The individual has received a caution or conviction for a relevant offence, or if there is reason to believe that the individual has committed a listed relevant offence;
- The individual has been removed from working in regulated activity, or would have been removed had they not left.

Contractors

11.18. The Trust will ensure that any contractor, or any employee of the contractor who is to work at a trust school, has been subject to the appropriate level of DBS check. Contractors engaging in regulated activity will require an enhanced DBS certificate (including barred list information).

11.19. For all other contractors who are not engaging in regulated activity, but whose work provides them with an opportunity for regular contact with children, an enhanced DBS check (not including barred list information) will be required.

11.20. Under no circumstances will a contractor in respect of whom no checks have been obtained be allowed to work unsupervised, or engage in regulated activity

11.21. Schools within the Trust will always check the identity of contractors and their staff on arrival.

Adults who supervise children on work experience

- 11.22. If a school is organising work experience placements, the school will ensure that the placement provider has policies and procedures in place to protect children from harm.
- 11.23. Barred list checks by the DBS might be required on some people who supervise a pupil under the age of 16 on a work experience placement. The school will consider the specific circumstances of the work experience in this case. Consideration will be given to the nature of the supervision and the frequency of the activity being supervised, to determine what, if any, checks are necessary. These considerations will include whether the person providing the teaching/training/instruction/supervision to the child on work experience will be:
- Unsupervised themselves;
 - Providing the teaching/training/instruction frequently (more than three days in a 30-day period, or overnight).
- 11.24. If the person working with the pupil is unsupervised and the same person is in frequent contact with the pupil, the work is likely to be regulated activity; in this case, the school will ask the employer providing the work experience to ensure that the person providing the instruction or training is not a barred person.
- 11.25. If the activity undertaken by the pupil on work experience takes place in a 'specified place', such as a school or college, and gives the opportunity for contact with children, this may itself be considered to be regulated activity. In these cases, and where the child is 16 years of age or over, the work experience provider will consider whether a DBS enhanced check should be requested for the young person in question. DBS checks cannot be requested for children/young people under the age of 16.

Children staying with host families

- 11.26. The school may make arrangements for a pupil to have learning experiences where, for short periods, the children may be provided with care and accommodation by a host family abroad to whom they are not related; in these circumstances, the school will work closely with the host school to ensure appropriate safety checks have been made.

Governors

The Trust and LGB may request an enhanced DBS certificate without a barred list check on an individual as part of the appointment process for governors. An enhanced DBS certificate (which will include a barred list check) will only be requested if the governor will be engaging in regulated activity; this also applies to volunteer governors.

12. After the pre-appointment checks

- 12.1. Once the pre-employment checks have been completed, the Headteacher will:

- Agree a start date with the candidate.
- Destroy the completed self-declaration forms.
- Submit contractual paperwork, including the completed DBS check, copies of identification, references, proof of qualifications, pre-employment medical enquiry form, P45, application/equal opportunities and emergency contacts.
- Add the required details of the checks carried out to the school's SCR.

13. Single central record (SCR)

13.1. Each school will maintain and regularly update its SCR and will report regularly to the Trust CFOO and the Director on the Trust Board with safeguarding responsibility.

13.2. All new employees will be added to the record, which will include:

- All staff (including supply staff) who work at the school.
- All others who work in regular contact with children in the school or college, including volunteers.

13.3. The bullet points below set out the minimum information that must be recorded in respect of staff members (including teacher trainees on salaried routes). The record will indicate whether the following checks have been carried out or certificates obtained, and the date on which each check was completed/certificate obtained:

- An identity check
- A barred list check
- An enhanced DBS check
- A prohibition from teaching check
- Further checks on people living or working outside the UK
- A check of professional qualifications
- A section 128 check, if appropriate
- A check to establish the person's right to work in the UK

13.4. For supply staff, the school will include whether written confirmation has been received that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, and the date that confirmation was received and whether any enhanced DBS check certificate has been provided in respect of the member of staff.

13.5. If checks are carried out on volunteers, this will be recorded in the SCR.

13.6. The Trust will not keep separate SCRs; however, it will ensure that all those who need to see it can easily do so.

14. Safer recruitment training

14.1. At least one member of the recruitment panel will have completed formal safer recruitment training.

14.2. As a measure of good practice, the school will ensure that this training is renewed every five years.

15. Monitoring and review

15.1. This policy is reviewed periodically by the LGB, and Trust Board.

15.2. Any changes made to this policy will be communicated to all members of staff.

15.3. All members of staff are required to familiarise themselves with all processes and procedures outlined in this policy as part of their induction programme.
